

Hiring Norwich Arts Centre – smaller spaces

Please enquire for current prices and further information on hiring these smaller areas.

Auditorium only

When available, the auditorium can be hired for smaller, daytime events. This is priced at £30 + VAT per hour including a sound and lighting technician or £20 per hour without a technician. Please enquire to discuss requirements as this is dependent upon availability and theme of event.

Smaller Spaces available for hire

The café/bar space is set over two levels with a separate mezzanine available to hire during the day. This mezzanine is perfect for small parties or gatherings, and hiring the café/bar can also include drinks and nibbles as required. Prices for hiring the mezzanine space are per hour.

We also have a dressing room appropriate for meetings, workshops and small group events.
