Weddings at Norwich Arts Centre

Welcome to Norwich Arts Centre!

Internationally recognised and in the heart of Norwich's cultural community, Norwich Arts Centre is a contemporary multi-arts venue housed within a Grade 1 listed beautiful flint structure which dates back to the 14th century.

We have played host to countless of legends, including Nirvana, The Stone Roses and Coldplay and continue to programme the best new music, performance and comedy.

With its flexible, versatile spaces, Norwich Arts Centre offers a unique setting for your wedding, civil ceremony and reception. You'll have the freedom to make the venue your own, creating a celebration that truly reflects your style and personality.

That said, we understand that planning a wedding can be a big undertaking so our experienced team will be on hand to help bring your plans to life.

"By day we needed a fully customisable, intimate and personal space. By night we wanted the organisation, capacity and buzz of a live music event. Britains best music venue delivered all of this and more!"
- Bernie and James

Location

NAC is conveniently located in the city centre with just an 8-10 minute car journey or 15-20 minute walk from the train station with access to plenty of city centre hotels and Airbnbs.

Nestled within the Norwich Lanes it's the perfect location for a pre-party photo shoot from cosy coffee shops to pretty cobbled streets.

"We honestly couldn't have asked for a better venue or people to work there. All our guests were wowed by the Arts Centre"
- Katherine & Nick

The venue

In 2020 the whole venue was renovated and decorated.

Our contemporary glass foyer is perfect for a prosecco reception and the 14th century auditorium is ideal for banquet-style seating and live music.

Bands, performers and DJs are what we do at NAC so our in-house technician will take care of sound-checks and lighting using our top of the range sound desk, PA and lighting rig.

Decoration is up to you. Be it fairy lights, bunting, balloons or pinatas we'll have qualified staff to help you install them.

Our fully-licensed Adnams Mission Hall Bar offers a wide range of high-quality alcoholic, soft and hot drinks. If you have any special requests, be it a particular cocktail, wine or ale, we can almost always make it happen.
